History:  
Rev. William J. Barnwell, C.M. was appointed Provincial on October 22nd, 1905 and served until his death on January 25th, 1906 in Perryville, Missouri.

Scope and Content: Rev. Barnwell’s Provincial Files include correspondence to a Superior General, Western Province Circular Letters and transcriptions of correspondence from the Holy Trinity College, Dallas, Texas.

Arrangement of Collection: Because of Fr. Barnwell’s short time as Provincial, there are only three files in the collection. They consist of correspondence dated 1897 to 1906. A number of letters received by Fr. Barnwell from Rev. Antoine Fiat predate his term as Provincial. Vincentian archivists in Perryville filed these letters in Fr. Barnwell’s Provincial Files rather than his Personnel Files. After the transfer of the DRMA to DePaul University, Special Collections and Archives staff retained this arrangement.

Conditions Governing Access: Materials in the Provincial Files generated within the last 25 years as of the present date are made available subject to the permission of the current Visitor (Provincial) of the Western Province of the Congregation of the Mission. Permission to publish records in their entirety of a substantial portion thereof must be requested in writing prior to publication from the Visitor. The researcher has the sole responsibility for obtaining this written permission. (DRMA Access and Use Policies, August 22, 2005)

Language Materials: The majority of these materials are in English although correspondence in Superior Generals series are in French
