Bulk Dates: 1930-2010
Quantity: 28 LF

DePaul University

History
The materials in this collection relate to DePaul University memorabilia with a special focus on University activities, University athletics, and building pieces from several of DePaul's buildings. They have been acquired, collected, and donated from various sources and have accumulated over time.

Scope
The Collection on DePaul University memorabilia is a collection of non-paper objects relating to the University and Athletics. It includes items such as clothing, jewelry, building materials and other University-related objects. Note: Because DePaul University changed its university seal and coat of arms in 1954, this collection refers to the university seal and coat of arms used before 1954 as "pre-1954 university seal" and "pre-1954 university coat of arms". Likewise, the university seal and coat of arms used in 1954 or later will be referred to as the "1954 university seal" and the "1954 coat of arms." See also: DePaul History, Ephemera, Box 1: Coat of Arms.

Arrangement
The materials of the Collection on DePaul University memorabilia collection are arranged into three series: Series 1. University; 2. Athletics; and 3. Building Pieces. The three series have no formal arrangement. Note: The boxes of this collection are divided into compartments, and if there are multiple items in a compartment, the items will be numbered as well.
